

The Sboneo Scholarship Foundation is a program to facilitate high school scholarships for deserving, disadvantaged South African students with the necessary leadership aptitude and fortitude so that they can gain acceptance into the best universities and one day 'lead by example' and 'give back' to their families, their businesses, their community, their country, the African continent, and our world.

To learn more about the Sboneo Scholarship Foundation and to support young leaders in South Africa to 'Lead by Example' email: info@sbofoundation.org
